The facsimile received on 7/26/02 was part of paper # 12 that was misplaced, requesting a correction to a PTO-892 to include a US reference 2,415,735. Upon reviewing the reference, the examiner found the listed prior art (2,415,735) is irrelevant to application (09/584,497) and concluded that the reference was inadvertently forwarded to the applicants. The office regrets the confusion of this outcome.
